

Jesuit Temporal Coadjutors USMC Gen. Peter Pace and Army General CFR John Abizaid

According to a February 2006 speech by Georgetown president Jesuit-trained Knight of Malta and CFR member John “Jack” J. DeGioia USMC Gen. Peter Pace Vice Chairman of the Joint Chiefs of Staff successor of CFR member Richard Myers is a Georgetown alum having been “a member of the School of Foreign Service’s Leadership Seminar 14 years ago. He has also come back several times to speak to current seminars as an alumnus, and has publicly lauded the program for the manner it enables connections and friendships to be made around the globe.” and was awarded the President’s Medal (of Georgetown University Other recipients of this award include according to DeGioia, “It has been presented to heads of state during their visits to campus, as well as three guests this evening: President Aznar, [SMOM] Secretary Nicholson in his previous role as Ambassador to the Holy See, and [Jesuit-trained] Senator Leahy. I take great pride in adding General Peter Pace, Chairman of the Joint Chiefs of Staff, to that distinguished list. General Pace, please step forward.

SMOM DeGioia said, “Our motto here at Georgetown is “*Utraque Unum*” or, “Both and One.” It is often used to ensure we look at two sides of things—so it can sometimes refer to art and science, sometimes to body and soul, sometimes to mind and spirit. The motto of the Marine Corps is another Latin phrase: “*Semper Fidelis*” or, “Always Faithful.”

Would you please all join me in a two-part toast? First, to the Chairman of the Joint Chiefs of Staff, General Pete Pace. His “always faithful” service, integrity and loyalty as a joint officer and a Marine, as a scholar and a warrior, and as an officer and a gentleman are an inspiration to leaders everywhere. And second, to his wonderful wife, Lynne. Her care and mentorship of others at the USO, with at American With Disabilities, at overseas orphanages, and at so many other places of need show that her inner core values are easily the equal of any Marine, and of any Jesuit.

According to the article, Gen. Pace in his speech to the John Carroll Society said “I stand before you as someone who is appreciative... who truly does believe this award is in anticipation of future conduct,” Pace said.

Could the true meaning of this quote be that the future betrayal of U.S. troops in the Middle East is anticipated by Jesuit-trained Pace and his masters-the Jesuits of Georgetown? I think so. He is being rewarded for his obedience to the Order and his future complicity in the destruction of the U.S. Armed Forces most of whom unknowingly serve the Papacy.

I honestly believe Jesuit-trained Pace, NATO Supreme Commander James L. Jones, George Casey Jr., Georgetown Law dropout Donald Rumsfeld and CFR member John Abizaid will very soon at the command of their Jesuit masters and their Council on Foreign Relations betray U.S. troops in the Middle East. The Jesuit connection to this war of annihilation against the Muslim peoples and at the same time U.S. soldiers most of whom are unaware that they are cannon fodder for a Jesuit-led Papal Crusade is unmistakable. It is no coincidence that these are connected to Georgetown University, Opus Dei, and the Council on Foreign Relations.

Jesuit Temporal Coadjutor Pace was made an honorary member of the Jesuit John Carroll Society and was recognized and awarded at their 2006 Annual Dinner.

I suspect Pace is also a member of Opus Dei given his connection to Jesuit-trained Romanist priest Peter Vaghi of the Church of the Little Flower and chaplain of the John Carroll Society of which Peter Pace, Chief Justice of the Supreme Court John Roberts who has ties to Jesuit Georgetown having been an Adjunct Professor in London, Jesuit-trained Supreme Court Justice and Opus Dei member Antonin Scalia are members. http://www.johncarrollsociety.org/new_page_7.htm

Every major nomination made by Luciferian Skull and Bonesman George W. Bush has been consistently Roman Catholic. Examples include Opus Dei John Roberts, Samuel Alito appointed to the Roman Rota of the U.S. empire- the U.S. Supreme Court, Gen. Peter Pace (Vice Chairman of the Joint Chiefs of Staff), Michael Peter Jackson to the SS of the American Reich the Department of Homeland (Romeland) Security, Alberto Gonzales to the post of U.S. Attorney General and many, many more. Honorary Shriner and Knight of Malta former President Ronald Reagan's administration was the most Roman Catholic but I think the Bush administration now holds that record. Former CIA director Knight of Malta George J. Tenet Jesuit-trained at the Walsh School of Foreign Service was rewarded for his bold act of high treason with a professorship at his alma mater. Former CIA director Skull and Bonesman Porter Goss will be rewarded for his secretive actions I wouldn't surprised if Georgetown or Fordham gave him a professorship.

The fact that the Bush Administration is predominately Roman Catholic might be an indication that a concordat with the Unholy See was secretly signed during one of Bush's audiences with Papal Antichrist JP II. I don't know for sure. Just today Luciferian Emperor Bush said that his brother Jeb-a Third Degree Knight of Columbus-could be president. 33rd Degree Freemason Southern Baptist devotee of the pagan goddess Gaia Al Gore is considering running for president as well. It doesn't matter who the Archbishop

of New York selects the same wicked Jesuit agenda will be served by his puppet in the White House who is nothing more than a slave to the Jesuits of Georgetown University, his local boss Theodore Cardinal McCarrick who was trained by Jesuits at Fordham and ordained to the Romanist priesthood by Francis Cardinal Spellman in 1958 and his national political boss Jesuit-trained Edward Cardinal Egan.
